

Summer Snack Program Final Report - June-Sept 2021

Statistics

- From June to September 2021, we supported **136 children and youth** across the Columbia Valley. This is down from the 201 children and youth supported last year (during the COVID shut down) and up from the 120 children and youth we supported during our first year of the program.
- We distributed **963 snack bags** over 9 weeks of this program!
- Breakdown for the children and youth that accessed the program are as follows:
 - **79%** Indigenous~ 108 children and youth accessing this program identify as Indigenous peoples.
 - **14%** Preschool children ~ 19 preschool aged children (0-4 years old)
 - **46%** School aged~ 63 school-aged children (5-11 years old)
 - **40%** Youth ~ 54 youth (ages 12-18)
